COFFEE GRINDERS

HEYCAFE ALLROUND COFFEE GRINDER H1

Versatile performance grinder at a minimum size.

Hardened steel burrs for a better taste experience

Cast aluminum grinding chamber with cooling ribs for an effective heat transfer

Extra-wide range of grind size adjustment (100 - 900 μ m) to match your variety

Re-designed stepless grind size adjustment for convenient use and precise results

Steady ground coffee flow with minimal retention for less waste and consistent taste over time

LC display with visualized grind size for convenient grind size adjustment and repeat accuracy

Start-/stop automation for hands-free operation with portafilters

The pre-installed tray suits any collecting bin and can also be replaced by the adjustable portafilter support that comes along with the grinder

Removable residual grinds tray for easy and thorough cleaning

Very small footprint (130 mm) saves space and perfectly integrates into your store layout

New design with an electroplated top and spout for a high-quality look

Solid aluminum body for a high quality finish and easy to clean

Low noise level for a quiet working environment

Color option: Black, white, silver, red (more colors on request)
