HOT CHOCOLATE

MONDO HOT CHOCOLATE POWDER

The best hot chocolate!

Delicious and creamy, by itself or used as base for delicious recipes!

Enter the Cioconat world: you will find a wide range of delicious products available in countless flavours and formats, appliances, and visibility material, to fulfil any requirement of taste, use and service.

The new hot chocolate, a cup of Cioconat has 30% less calories than a cup of traditional chocolate.

It contains lean cocoa power and is sweetened with stevia and sucralose.

For those who want less calories but are not willing to give up the deliciousness of chocolate.
